ESA Adolfson Portland Office Move

Portland, Oregon, May 6, 2008: ESA Adolfson announced that its Portland office previously located in the Oregon Trail Building has moved its operations to the Yeon Building at 522 SW Fifth Avenue, Suite 820. This move accommodates the firm's growing Northwest presence.

"This move gives us a chance to upgrade our offices with state of the art communication and data hardware," says Tom McGuire, ESA Adolfson Portland Office Director.

"We have a more efficient office layout that will accommodate our planned growth," remarked Lloyd Skinner, ESA Adolfson vice president and Northwest Regional Director, "Our existing client services are improved and we now have the capacity to expand them."

ESA Adolfson is a West Coast-based environmental consulting firm specializing in land use and resource planning, environmental technical studies and investigations, environmental impact assessment and documentation, and environmental compliance. The firm has offices in Olympia and Seattle, Washington; Portland, Oregon; San Francisco, Oakland, Petaluma, Los Angeles, Sacramento, Woodland Hills, and San Diego, California; and Tampa, Florida.
